The Westin Atlanta Gwinnett, Atlanta

SEVERANCE ALUMNI ASSOCIATION OF NORTH AMERICA
YONSEI UNIVERSITY COLLEGE OF MEDICINE

President's Welcome Message

Dear Members of the Severance Alumni in North America,

It is my great pleasure to warmly welcome you to the 35th Annual Scientific Meeting and Reunion, held in Atlanta in 2025.

I would like to sincerely thank the Atlanta Severance alumni for their wholehearted efforts in preparing for this gathering, as well as all the alumni who have so generously contributed through your donations. I hope you will fully enjoy this year's reunion and scientific meeting here at the Westin Gwinnett Hotel.

This year is especially meaningful as we begin with a Memorial Lecture honoring our distinguished alumnus, the late Dr. Waun Ki Hong. It is truly a joy to share this special occasion together with you.

Over the next three days, I hope you will have the opportunity to reconnect, share stories long untold, and spend a joyful and memorable time with one another.

May God's abundant grace and blessings always be with you, your families, and your health.

Thank you.

Yong D. Park, MD
